The Applicant Tracking Project is formally underway and we are in the process of working with the successful Applicant Tracking vendor, TeacherMatch. We are excited about moving forward with TeacherMatch as we replace NC School Jobs and hope to be able to implement the new Applicant Tracking solution in the late Summer and Fall as your hiring season winds down for the 2015-2016 school year. As piloting activities and as the statewide rollout commences, please look for additional communication from our team. Any questions you might have in the meantime can be forwarded to Audrey Long at [audrey.long@dpi.nc.gov](mailto:audrey.long@dpi.nc.gov) and a team member will promptly be in touch with you.

Best Regards,
